An iota of snigger and satisfaction come to my face
When I knew about the judgment on gang rape case
Death penalty is not enough for these human beasts
Even beasts feel shame about their deplorable deeds
O' God Almighty, show your might on the felonious scamps
And punish them irretrievably for their filthy scalds
O' Father, squirt the sharp knives on the throats of the barbarians
Who crush the innocent childhood of the innocuous little cherubs
O' Supreme Being, throw your thrishul on the treacherous tricksters
Who trounce the tiny-shiny tender hearts
O' Omnipotent, don't pardon the execrable miscreants
Even clemency expresses shame about these demons
Let me hope my God:
With you prodigious power, put an end to the criminal acts
And purge the world with your benevolent blessings.
