Do you know: who is a torch bearer?
In fact, He is whole humanity's hearer;
Besides, he is the person who guides all,
And there comes never any kind of fall.

You may say, he is just like a teacher,
That has a full philosophical feature;
His torch of knowledge is ever lighting,
Just as a soldier in the battle fighting.

Spreading rays of wisdom day and night,
He does not leave any untouched sight;

All fine figures fall in the same line,
As his work is dedicated and divine.

Whether joys or sorrows he remains the same,
Working hard, he does not long for any fame;
He is the mirror of society, so he does bear,
Finding all far away, he is seen always near.

His main purpose is to improve whole race,
So he strives day and night for its ideal face;
Ever consider that he is a man God-gifted,
That's reason he is in every corner shifted.

His work will be praised throughout the ages,
And he will be compared with great sages;
He is a gleam that has its root in Almighty God,
That makes his bony body an imperishable rod.

Unbreakable and undefeatable is his soul,
For he is always with divine whole;
He remains steadfast and does not quiver,
And thanks him a lot for he is a forgiver.

Finally, he is none but God's messenger,
Trying to remove all darkness and danger;
Both he and his doings are immortal,
And he is the leader of heaven's portal.
